Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant filed an After Final Amendment on January 5, 2005, amending claim 1. The amendment to claim 1 raised a new issue and would require further search/consideration. At the request of the applicant, the examiner contacted the applicant prior to the mailing of an Advisory Action. Applicant directed the examiner to cancel claims 1-8. Claims 9 and 11-22, filed July 20, 2004, remain in the application and are allowable. The application is now in condition for allowance.
